## **Armed Security Guard – Licensing Program**

Dates Offered: On-going - Contact office for information!

This offering is for current holders of a NYS Certified Security Guard License. If you are 21 yrs or older, a citizen or Green Card holder with no felony convictions or serious misdemeanors, you may qualify for this particular licensing program. All pistol licensing application documents prepared, basic training, NYS 47-Hour Armed Security Certification Course, plus discounts on NYS Certification courses as well as job placement assistance upon successful completion of program.

## **Advanced Criminal Investigation School (A.C.I.S)**

Dates Offered: By request for agency or company -- minimum of 8 attendees

*Cost: \$800 individual or as per group contract*

This is a five (5) day program where the first half of consists of criminal profiling, charting, link association and forecasting criminal activities. The second half of the program consists of mobile surveillance, strategies and techniques. This course has been designed to accommodate the needs of law enforcement and security community, as well as retail industry loss prevention divisions in order to further enhance investigative techniques in dealing with the criminal element as it relates to their industry.

## **Advanced Executive/VIP Protection – Certification Training Program**

Dates offered: August

*Cost: \$1250 early registration - \$1500 after deadline*

An intense, information packed five (5) day program based on the Secret Service concept of the protective detail. This course picks up where the basic and intermediate training courses leave off. In addition, we have supplemented this course to include an increased focus on Anti-Terrorism and protective detail to work effectively in corporate and private industries. All training materials, use of equipment, and continental breakfast/lunch will be provided. (All applicants must have completed the 40-hour Basic Executive/VIP Protection Program. Meridian also offers a Basic Program – see course offering for details.)

## **Bail Enforcement Certification Program (NY State Certification)**

Dates Offered: Starts October 27<sup>th</sup> 2005

*Cost: \$599.95 – Package 1 --Or-- \$1995.95 –( Package 2 (includes package #1, along with: NYS or NYC Firearms Licensing Service, NYS 47-Hour Armed Security Certification Course or Tactical Firearms training)*

This is a 40 hour State Certification course. Evening classes meet once a week for 8 weeks. This program includes the 25-hour NY State Bail Enforcement Agent Certification, along with Certification in: Handcuffing Techniques, Baton, O.C. Pepper Spray, and CPR Certification. Study manual and handouts included.

## **Basic Private Investigation Course (6-week program)**

Dates Offered: starts September 27 (Tuesday/Thursday evening 6pm- 8pm)

*Cost: \$300 Early registration -- \$395 After*

The field of private investigation is an exciting and dynamic career that offers variety and freedom. **This six (6) week, twelve-session program (meets 2x a week for six weeks)** is designed for individuals who wish to enter the field of Private Investigations. Beginners and accomplished investigators will find this program an outstanding reference. A certification of completion and job placement assistance will be provided upon successful completion of the course.

# Meridian Law Enforcement & Security Training Center

## **Baton Certification (straight/expandable)**

Dates: TBA call for availability or to schedule for your agency

Cost: \$125 or \$75 for 3 or more attendees from the same agency

## **CDT Level I Tactical Control (16 hrs)**

Dates Offered: TBA

Cost: \$395

This is a comprehensive course on the application and use of non-deadly force as it applies to personal self-protection. Students will learn a variety of techniques that consist of low level stunning, activation points, escorts and compliance techniques that can be used to control another person without causing permanent damage. Students will also learn a variety of diffusion and escape techniques from the most statistically occurring real world attacks. The basis of this course will be to teach students how to quickly and effectively gain control of another person while lessening the possibility of injury to all involved.

## **CPR Training & Re-Certification - AHA**

Dates Offered: Ongoing please call for dates or to schedule a group session

Cost \$75

This is a one (1) evening course that's excellent for law enforcement, security personnel, bail enforcement/fugitive recovery agents, and others who may be first responders to an emergency that requires the use of CPR and barrier devices. Certification is through the **American Heart Association** and is valid for 2 years.

## **Close Quarter Combat for Law Enforcement Seminar (POFC)**

Dates Offered: TBA

Free!

This one (1) day seminar includes self-defense techniques, handcuffing, handgun and long gun takeaways – handgun/long gun retentions, and ground defense. A certification of completion is presented at the end of the seminar. (We suggest coupling this seminar with *Knife-Use for Law Enforcement Seminar* to get a full range of the defensive/officer survival techniques.)

## **Covert Video Surveillance Workshop**

Dates Offered: Contact our office for dates!

Cost: \$125

This hands-on workshop will focus on the principles and techniques of covert video surveillance. Work with our on-site technicians to build your own hidden camera or design a complete LE/PI covert surveillance system. Some of the topics covered will include: methods of concealment (cell phones, pagers, etc.), specialized concealment and tracking equipment, wireless transmission systems, and much more... All attendees will leave with a certificate of complete and their own working miniature covert camera

## **Defensive Folding Knife & Weapons Retention**

Dates Offered: Contact our office for dates!

Cost: \$125

Based on use of the popular Spyderco style thumb opening defensive folder this program requires no prior self defense training. Upon graduation, each student will know how to employ a folding knife as a practical, emergency self defense weapon. Special emphasis is placed in review of the legal, civil, and criminal responsibility involved in using a defensive folding knife. This course is ideal for off duty or undercover officers in situations when a firearm is unavailable, or as a lightweight, concealable backup to a primary handgun; out of state / foreign travel safety where a firearm or OC Spray would not be available;

# Meridian Law Enforcement & Security Training Center

Defensive firearms owners who are not into "high impact" martial arts.

## **Electronic Surveillance Countermeasures - I**

Dates Offered: TBA

Cost: \$1200

This five (5) day course is very hands-on and is designed to provide the student with the basic skills and knowledge to conduct electronic countermeasures sweeps. You will learn various types of equipment that can be utilized to implement electronic espionage operations and how to effectively identify, locate and neutralize these attacks. Upon completion, students will possess a working knowledge of the threat of electronic eavesdropping systems as well as other sophisticated electronic equipment systems.

## **Executive/VIP& Dignitary Protection Certification**

Dates Offered: August 18-22, 2003

Cost: \$1250

This five (5) day (40) hour certification program will include training that the Secret Service, US Department of State, Security Services Personnel, special protection details of the NYPD, and other major police departments currently utilize. Upon graduating, you will also be eligible to apply for membership status in the International Association of Personal Protective Agents (IAPPA).

## **Hostage Negotiation** *(restricted)*

Dates Offered: August 23-25, 2004

Cost:

## **Israeli - Selective Point Shooting** *(restricted)*

Dates Offered: By request for agency or -- Minimum of 10 attendees

Cost: *As per group contract*

Israeli Selective Point Shooting utilizes the natural body reactions to various situations under extreme stress. The system was evolved in a society where crime and terrorism routinely occurs in a crowded environment. Operators have to react fast and shoot selectively while avoiding harming innocent bystanders. Students will be able to pivot, kneel, run with a gun, stop, reload, and shoot from unusual positions during high risk and combat assignments, and hit the center mass of the opponent from a distance of up to 15 Meters without using the sights in less than 1.2 seconds. Students will also learn advanced concealment techniques and integrate them into their tasks.

## **Israeli - Officer Survival & Defensive Tactics** *(restricted)*

Dates Offered: By request for agency or company -- minimum of 8 attendees

Cost: *Per contract*

To provide the students with extreme survival tools, realistic survival techniques and field tested methods to dominate an opponent and escape and/or evade ambush or kidnapping attempts. Students will learn and practice survival principles based on the Israeli fighting systems of: "Krav-Maga" (Contact-Combat in Hebrew), and "Hisardut" (Survival in Hebrew). This system is designed to unleash an inner force powerful enough to disarm any attacker in any situation. Uniting mind and body control into one technique in which every move creates a specific reaction on the part of the opponent.

# Meridian Law Enforcement & Security Training Center

## **Israeli - Suicide Terrorism Intervention**

Dates Offered: By request for agency

Cost: *as per group contract*

This five (5) day hands-on program is directed to US Military/Full-Time Federal/State Law Enforcement Agencies & Select Security Agencies. Our program is a comprehensive course that will provide students with an understanding of terrorist psychology and behavior. Dynamic hands-on training and extensive role play exercises will cover field tested preventive tactics to include: handling of a suicide bomber situation, Weapons of Mass Destruction (WMD) threats handling, risk analysis and other preventive measures (including immediate action drills), and much more!

## **Knife-Use for Law Enforcement Seminar**

Dates Offered: TBA

Cost: \$95

This one (1) day seminar includes self-defense techniques, knife-use kata forms, and knife-use two-step techniques. Use of force issues, agency/departamental policies, and other related concerns will also be addressed. A certificate of completion will be presented at the end of the seminar. (We suggest coupling this seminar with *Close Quarter Combat for Law Enforcement Seminar* to get a full range of the defensive techniques.)

## **NYC/NYS Pistol Permit – Rifle/Shotgun Permit**

Dates Offered: Contact our office for dates and prices!

Just as an you would hire an accountant to handle a complex tax situation. We can assist you in obtaining your NYS or NYC handgun or rifle/shotgun permit. Please note that you should be over 21 yrs old, a citizen of the US or Green Card holder, and have no felonies or serious misdemeanors. Contact our office for more information.

## **OC Pepper Spray Certification Course (OCAT – Oleoresin Capsicum Aerosol Training)**

Dates Offered: October 2, 2004

Cost: \$125 or \$75 for 3 or more from the same agency

This is a one (1) day certification course will teach participants the specific skills needed to certify in the use of OC aerosol spray (or also known as “pepper” spray). Some of the course topics will include physical and physiological effects of an OC aerosol on humans and animals, legal aspects of aerosol OC use, proper aerosol spraying techniques, and much more! Participants will be given a written and proficiency exam.

## **PATH – Practical & Tactical Handcuffing - Certification Course**

Dates Offered:

\$125

This one (1) day course involves the use of chain link, hinged or disposable handcuffs and is geared towards law enforcement professionals, criminal justice personnel, military personnel or bail enforcement agents. Participants will possess the required information and know the specific skills needed to certify or to re-certify for use of handcuffs in the performance of their duties. A written and proficiency exam will be given at end of course.

# **Meridian Law Enforcement & Security Training Center**

## **Pepperball Instructor / Armorer Certification**

### **Tactical Rappelling for Law Enforcement**

Dates offered:

Conducted by TRSI this dynamic (4) day hands on course will take you from the basics of rappelling and move on to advanced tactical applications and force scenarios. This course is perfect for those officers wishing to get a jumpstart on qualifications for transfer to a SWAT unit or other tactical response team and also the prerequisite for those seeking to attend the Rappel Master – Instructor Course.

### **Tactical Anti-Terrorism - Officer Survival**

Dates Offered: Contact our office for dates!

*\$1200*
